A. WE’VE CALLED THIS MESSAGE A “BUNKER BUSTER”

1. When a BUNKER BUSTER is dropped on the enemy.
2. Before it explodes it goes down deep into the ground of a cave or a buildings foundation.
3. When the TNT explodes it destroys everything from the foundation first to the entire building.

B. THAT’S WHAT THE LORD WANTS US TO DO WITH HIS SWORD (WORD).

1. Use it as a offensive weapon against the enemy.
2. We’re not going to be able to kill the devil and his demons.
3. But we can destroy everything he tries to input in our minds.
4. All our false ides and ways will come down if we use God’s word.
